

Our Mission - Even More Vital Now

We grow top-quality organic produce and flowers to donate to local folks experiencing hunger, create lasting community connections through our volunteer program, and provide education around healthy food. We are committed to bringing normalcy and restoring dignity to individuals and families who have lost control over that most basic of choices and decisions—what to eat. The goal? Universal access to nutritious and culturally appropriate food for everyone.

MAINE FOOD INSECURITY STATS

Food Insecurity = A lack of consistent access to enough food to lead an active, healthy life.

1 in 7 Maine citizens struggle with hunger daily (1 in 5 kids)

210,000 Mainers estimated are food insecure NOW

37% of Maine's food insecure population does not qualify for public aid
